NSWC/2018/Medical Appeal

Respected Brothers/Sisters,

Waheguru Ji Ka Khalsa, Waheguru Ji Ki Fateh

Nishkam has been working for more than 34 years for special causes without any discrimination and one of its projects has been to provide Medical Assistance to poor/needy patients to enable them to undergo costly treatment/surgery which they cannot afford. We have recently received two cases for Medical Assistance, one to help Ms. Gurpreet Kaur and Second of Shri Om Prakash.

**First Medical case** is of Gurpreet Kaur, a young girl having brain tumor. She had been operated once but still blockage is found and hence she will have to go for the treatment by Gamma Knife Machine from AIIMS, Neurosurgery department, New Delhi which may cost around Rs.75000/- INR as per estimates provided by the attending doctor. She has been given the date for her Gamma Knife Surgery on 19th June, 2018. She belongs to a very poor family. Her father is a small electrician, attending complaints in the locality. She is a Graduate (B.Com) from Delhi University.

**The second case** for medical assistance is of Shri Om Prakash, a handicap young man aged 23 yrs, who is doing private Job with a contractor and getting Rs. 18000/- as consolidated monthly remuneration. He has requested to provide him a motorized scooter with attachment costing Rs 70,000/- out of which his family will contribute about Rs 20,000/-.

Nishkam has decided to help out both the patients after due verification by our volunteers. We, therefore, very earnestly appeal to all our kind and generous donors to contribute maximum out of their Daswandh for this noble cause and support these patients to enable them to be normal persons in order to support their families, and also have good career ahead.
